---

Upon entering The Addison, you will find your washer and dryer in one closet and your hot water heater in another on your left. To your right, you have two coat closets so you never have to keep your jackets and boots in your bedroom. Behind your second coat closet is your staircase leading to the second level. If you follow your entry hallway to the right, you have a linen cabinet and first-floor bathroom to your right with your kitchen and snack bar to your left. The kitchen opens up to a comfortable space designed to be a living or dining room. Adjacent from your kitchen is your first of three bedrooms with a roomy walk-in closet. At the top of the staircase, you will find your second-level bathroom to your right and the two bedrooms to your left. The second bedroom has a smaller closet with a little more space, perfect for those with fewer possessions who prefer to pass the time in their room. The third bedroom is slightly smaller, with an ample walk-in closet to house many possessions.
