notes:

If you're looking for a cozy apartment, consider The Cass. As soon as you walk in, you will be immersed immediately into your living and dining room. Off to the right, the living and dining room flows openly into the kitchen, while when you look to the left, you will find the door to your bathroom. Furthest left from your front door, you will see you twelve and a half by twelve and a half bedroom with a door to your walk-in closet.
