notes:

With a master bedroom, the Franklin is perfect for those with kids or a couple looking to rent a room out. After walking through your front door, you'll find a washer and dryer to the left with your first bedroom sizing up at ten by twelve feet. With a walk-in closet of its own, there's no reason for the occupier of this bedroom to be unorganized. Your front door feeds directly to your thirteen and a half by nineteen living room attached to your kitchen with an island to make preparing and serving food a dream. Down the hallway to the right, you will find your main bathroom just before the master bedroom. The master bedroom is an exceptional seventeen by thirteen feet with a spacious walk-in closet and full bathroom entirely to itself.
