notes:

A simple design with a unique layout, The Jefferson keeps everything you need in plain sight. The moment you walk through your door, you can access your bathroom immediately to the left or check on your laundry to the right. As you make your way through the front hall, you will find the thirteen and a half by ten and a half foot bedroom to your left with the hallway opening up to the twenty-three and a half by ten foot living and dining room. As you walk to the corner windows, you will find the kitchen placed in the corner, allowing you to keep your meal preparation hidden from any guests so they can enjoy the ambiance you created in the living and dining room.
