notes:

The Kenilworth is an excellent one-bedroom one-bathroom floor plan opening up to the living room and dining room. With your kitchen tucked around the corner to the right when you walk in, the bedroom is around back to the left, providing plenty of privacy for when you have guests over. The bathroom door is just before the bedroom so your visitors will never have to walk through your bedroom to access it. With in-unit washing and drying, lugging your laundry up and down stairs or across town to a laundromat can be a thing of the past. Your eighteen by ten-foot bedroom has a wonderful walk-in closet in the corner so each article of clothing will have a home on a hangar.
