notes:

If you want a two-story, two-bedroom, and one a half bathroom, jump into The Pacific. Here you will walk in and find your kitchen and snack bar immediately to your right. Turn left, and you can either head upstairs or make your way into your living and dining room. Keep making your way left, and you will find your half bathroom on the first floor with plenty of open space to lounge. With your washer, dryer, and hot water heater tucked behind a closet, you'll even have a walk-in closet on your first floor perfect for any odds and ends you'd like close by. Once you make your way upstairs, turn right and find your family or media room at the top of the steps. Keep walking down the hall, and you'll see your bathroom just a few steps away from your first bedroom with a walk-in closet. At the end of the hall, you'll see a door opening up to your second bedroom.
