If you're looking for a floor plan as unique as you with plenty of privacy for you and whomever you live with, consider the "L" shaped Royall! Your front door feeds to your twenty-one and a half by twelve and a half foot living and dining room to the left with your kitchen placed on the right. Keep walking towards the right, and you'll find a bathroom just before the eleven by twelve and a half foot bedroom. If you walk left from the front door, around the corner you will find your second bathroom and your eleven and a half by twelve and a half foot bedroom with a walk-in closet as soon as you step through the bedroom door.
